Robertparker.com - Lisa PERROTTI - June 2020

Score : 94-96+/100

“Opaque garnet-purple in color, the 2019 Sansonnet comes skipping out of the glass with vibrant notes of Morello cherries, blueberry compote, mulberries and warm black plums plus hints of raspberry leaves, Sichuan pepper, cassia and cumin seed with a waft of tree bark. The full-bodied palate is packed with crunchy black and red fruits, framed by exquisitely ripe, rounded tannins and bold freshness, finishing very long and mineral laced. Beautiful!”

JAMESSUCKLING.COM – James SUCKLING – January 2022

Score : 94/100

“Ripe blackberries, cherries, praline, walnuts and lavender on the nose. It’s medium-to full-bodied with fine, plush tannins. Creamy and polished. Drink after 2024.”

JEBDUNNUCK.COM – Jeb DUNNUCK – November 2020

Score : 93-95/100

“The 2019 Château Sansonnet reminds me a touch of the 2016 with its concentrated yet elegant profile. Coming from a cooler terroir on the upper plateau, its deep purple hue is followed by a layered, pretty bouquet of black and blue fruits, graphite, crushed stone and violets. Medium to full-bodied and balanced, with excellent purity of fruit, moderate tannins, and a great finish, it's going to evolve nicely for two decades.”

INSIDE BORDEAUX – Jane ANSON – November 2021

Score : 94/100

« Dark plum colour, this is so juicy, well balanced and delivered, rich and deep, juicy damson, chocolate, roasted coffee bean, austere but full of promise and a gorgeous wine. Tasted twice. An upscore from En Primeur. A yield of 35hl/ha. Michel Rolland consultant. »

THE WINE CELLAR INSIDER – Jeff LEVE – June 2020

Score : 94-96/100

" Almost opaque in color, the perfume here hits it! The strong essence of licorice, vanilla, black plum and even blacker cherry. Full-bodied, voluptuous, lush and sexy with layer after layer of super-ripe, fresh gorgeous fruits, soft, velvet tannins and length that sticks. The wine blends 90% Merlot, 7% Cabernet Sauvignon and 3% Cabernet Franc reaching 15% alcohol, with no touch of heat."

VINOUS MEDIA - Antonio GALLONI – February 2022

Score : 95/100

The 2019 Sansonnet offers a striking combination of fruit intensity and structure. There is plenty of the intense, inky fruit that readers have come to expect in recent years, but that opulence is beautifully balanced by the wine's energy and overall drive. Blackberry jam, spice, leather, tobacco, menthol, cedar and chocolate build as the 2019 shows off its alluring personality. Tasted two times.

VINOUS MEDIA - Neal MARTIN – February 2022

Score : 94/100

"The 2019 Sansonnet seems to revel in the vintage. The aromatics explode from the glass with precocious black cherry, raspberry and blueberry scents, the oak neatly integrated. The palate is medium-bodied and manages to counterbalance its power with tension, retaining crucial sapidity on the prolonged finish. Excellent. " 2025 – 2045

YVESBECK.VIN – Yves BECK – Décembre 2021

Score : 94/100

« 90% Merlot, 7% Cabernet Sauvignon, 3% Cabernet Franc  
Vignoble de 7ha situé sur le terroir argilo-calcaire du plateau de Saint-Emilion. L'âge moyen des vignes est de 35 ans. Rendement moyen de 35hl/ha. Le bouquet de Sansonnet affiche de la profondeur, de la complexité et se dévoile en crescendo. Il révèle de subtiles nuances d'élevage suivies de parfums de cassis et de bâton de réglisse. Bonne densité en bouche. Le vin a du corps et dispose de tannins puissants qui atteignent leur amplitude en fin de bouche. Ils créent la symbiose avec la structure acide, ce qui assure un parfait équilibre ainsi qu'une bonne persistance aromatique de la finale. 2025-2044 »

THE WINE DOCTOR – Chris KISSACK – February 2022

Score : 94/100

"This 2019 starts off with a notably dark, glossy and inky hue in the glass, which feels true to the domaine. Aromatically it has all the smoky intensity I would associate with this vintage, with notes of dark chocolate, sage, slate and currant. The palate is characteristically sweet and rich, polished but it feels correct, with a fine bed of black fruits, currants, smoke, slate and bramble, set within a wrapping of smouldering tannins. A very smart composition here which will develop well in the cellar. Well done. Tasted twice, once in Scotland, once in Bordeaux. The declared alcohol is 14.5%. "

Jancis ROBISON – February 2022

Score : 16+/20

"Mid crimson. Rather luscious and minerally on the nose – not overdone. Fresh and straightforward with dry fruit and quite a bit of tannin. Wait! The ingredients are there... 14.5% Drink 2025 2035 "

VWINE Adrian VAN VELSEN - Janvier 2022

Score : 93/100

"15%, Merlot, Cabernet Franc, Cabernet Sauvignon, verkostet im Dezember 2021 in Windisch).  
Rauchige Nase, tief, distinguiert, zeigt viel Kräuter, dunkle Frucht, Tabak, Kirschen. Der Gaumen ist fruchtbetont und bereits gut zugänglich, opulent, reiffruchtig, mit viel Druck und Körper, ohne Schwere, wird am mittleren Gaumen saftig und immer eleganter, wirkt rassig, lebhaft, energiegeladen und hallt im Abgang lange nach, endet rotfruchtig. Eine Bombe, ja, jedoch eine mit Finesse. 2025 bis 2040 "
