Château Moulin du Cadet - Millésime 2020

JAMESSUCKLING.COM - James SUCKLING - 30 December 2022

Score : 94/100

"Notes of cassis and plum skins with licorice, cocoa and mocha. Hints of walnut, too. Medium- to full-bodied with tight yet polished tannins that last for minutes. Delicious and juicy velvet-coated dark fruit with tension and length. Toned and lingering finish with lots of energy to it. Try after 2026".

JEBDUNNUCK.COM - Jeb DUNNUCK - Mars 2023

Score : 94+/100

"All Merlot from a tiny parcel on the upper plateau, the 2020 Château Moulin Du Cadet has a fresher, elegant, yet nicely concentrated and medium-bodied profile as well as a gorgeous perfume of red and black raspberries, tobacco, peppery herbs, and truffle. Perfectly balanced, with fine yet building tannins and terrific purity, it needs just 2-4 years of bottle age and will evolve for 15+." 2025 - 2040

VINOUS MEDIA - Antonio GALLONI - December 2022

Score : 94/100

"The 2020 Moulin du Cadet marries intensity with energy, a combination that works so well. Bright red/purplish fruit, lavender, rose petal, mint and blood orange are finely delineated. Vibrant acids and clean mineral notes give the 2020 its vibrant, saline personality. This is very nicely done. In a world terrific. 2027-2040

Marcus Del Monego - Mars 2023

Score : 94/100

"Dark purple colour with violet hue and black core. Rich and multi-layered character, intense nose with aroma reminiscent of ripe blackberries, blackcurrant jelly, figs and plums. Black cherries and hints of sloe in the background. Distinct toasting with mocha and dark chocolate. On the palate expressive and well structured character with freshness, ripe yet firm tannins, juicy fruit and fine toasting. A wine with great depth and length.

Château Moulin du Cadet - Millésime 2020

THE WINE CELLAR INSIDER - Jeff LEVE - March 20203

Score : 93/100

"Flowers, cherries, plums, and espresso beans make up the perfume. The wine is deep, dark, and lushly textured, with a rich, deep, concentrated, polished finish ending with chalky tannins, and layers of sweet, chocolate-enriched plums, with toasty oak." Drink from 2024-2042

THE WINE INDEPENDENT - Lisa Perrotti-Brown - March 2023

Score : 93/100

«Deep garnet-purple in color, the 2020 Moulin du Cadet is redolent of juicy black cherries, mulberries, and boysenberry preserves with an earthy undercurrent and nuances of star anise and wood smoke. Full-bodied, the palate is jam-packed with black fruit preserves, lifted by a lively backbone, finishing long and plush.»

VINOUS MEDIA - Neal Martin - December 2022

Score : 92+/100

"The 2020 Moulin du Cadet still conveys that sense of "controlled opulence" on the nose, hedonistic yet without compromising delineation and terroir expression. The palate is medium-bodied with pliant tannins, fresh and surprisingly saline compared to its showing from barrel. Fine depth and persistence on the finish, this has promise. Tasted twice with consistent notes. 2025-2045

YVESBECK.VIN - Yves BECK - Décembre 2021

Score : 92/100

« De bonne densité, Moulin du Cadet affiche des tannins compacts et encore assez fermes. Le caractère crémeux et la bonne intensité aromatique sont de bon augure. Maintenant il faut un peu patienter. Un vin aux nuances de baies noires et de poivre. Il a de la substance et assumera bien les ambitions qu'on lui a donné ! 2025-2037 »

Château Moulin du Cadet - Millésime 2020

DECANTER - Georgina Hindle - February 2023

Score : **91/100**

«Punchy and upfront, with intense redcurrants, raspberries and ripe, almost jammy strawberries and red cherries. Extremely tannic at present, they fill the mouth, although are fleshy and gently chewy, and do well to give bounce to the palate. Just feels well made without overt oak or spice dominating the fruit. Balanced and harmonious. Lovely hint of sweetness matched by the acidity that gives this a sharp and thrilling sensation that's missing from many. It's not the most complex but really delivers a glass of easy, approachable wine with markers of the intense vintage». Drinking Window: 2024 - 2034
