Château Moulin du Cadet - Millésime 2023

JAMESSUCKLING.COM - James SUCKLING - Avril 2024

Score : 93-94/100

"This is really minerally and salty with nice, grainy tannins and blue-fruit character. Medium body. Fresh finish."

JEB DUNNUCK - Mai 2024

Score : 91-93/100

"Cassis, darker berries, graphite, scorched earth, and some candied violet and floral notes all define the 2023 Château Moulin Du Cadet, a ripe, medium-bodied, beautifully textured, elegant 2023 that has nicely integrated acidity, good mid-palate concentration, and outstanding length. It plays in the slightly more focused, straight style of the vintage yet is a gorgeous wine. Tasted twice with consistent notes."

VINOUS MEDIA - Neal Martin - Mai 2024

Score : 90-92/100

« The 2023 Moulin du Cadet just needs to muster a little more precision on the nose at the moment, showing mainly red fruit laced with tobacco. The palate is medium-bodied with slightly firms tannins, but I appreciate the fruit profile : redcurrant, cranberry and blackcurrant. Earth and tobacco notes surface toward the finish. Not bad, not bad at all. »

VINOUS MEDIA - Antonio Galloni - Mai 2024

Score : 90-92/100

« The 2023 Moulin du Cadet is a heady, voluptuous Saint-Emilion. Soft, succulent contours wrap around a core of raspberry jam, menthol, rose petal and cinnamon. Proprietor Marie Lefèvre has the magic touch when it comes to this style. Moulin du Cadet is one of her more approachable wines. Merlot planted on a north-facing site is so attractive here. Tasted two times.»

THE WINE CELLAR INSIDER- Jeff Leve - Mai 2024

Score : 92-94/100

« Black cherries, plums and floral notes are all over the place here. On the palate, the wine is silky, lush, and polished. There is sweetness, as well as lift, with an energetic, luscious finish. The wine is produced from 100% Merlot. 14.5% ABV. Drink from 2027-2043. »

Château Moulin du Cadet - Millésime 2023

FALSTAFF – Peter Moser – Mai 2024

Score : 91/100

“Dark ruby, opaque core, purple reflections. Ripe plums, sour cherries, delicate vanilla, inviting bouquet. Medium body, redcurrants, vivid tannins, pronounced acidity, salty finish.”

Jean Marc Quarin – Avril 2024

Score : 90/100

“Couleur sombre et pourpre. Nez intense, fin, fruité et pur. Délicat en entrée de bouche, parfumé au milieu, avec un déroulé harmonieux, le vin caresse le palais jusqu'en finale, sur des tannins fins et du goût. Longueur normale. 100 % merlot. Degré d'alcool : 14°5 – pH : 3,44. Rendement : 34 hl/ha. Elevage 70 % barriques neuves, 30 % cuves. Production : 12 000 bouteilles.”

Marcus Del Monego – Mai 2024

Score : 92/100

“Dark purple colour with violet hue and almost black core. Ripe fruit reminiscent of elderberries, blackcurrants and hints of sloe, mild spices, liquorice and subtle oak. On the palate well structured juicy fruit, fine toasting and very good length.”

Yves Beck – Avril 2024

Score : 93-95/100

“Complexe et élégant, le bouquet de Moulin du Cadet révèle d'agréables nuances de mûres, de cassis, de pralinés et de bois de réglisse. Soyeux en bouche, le vin profite de ses tannins suaves qui assurent de la largeur tandis que la structure apporte une précieuse fraîcheur dans ce contexte charmant. Un vin délicieux qui pourra passer du temps en cave... ou pas ! 2029-2043 “

THE DRINKS BUSINESS – Colin Hay – Avril 2024

Score : 92-94/100

“(St Emilion; 100% Merlot; pH 3.44; 14.5% alcohol; tasted at the Association des Grands Crus Classés at Dassault). A wine I associate, aromatically, with black cherry and cedar and that's exactly what we find here, impressively so. Soft and seductive, quite opulent and rich. A lovely rose petal florality too and I find this brighter and more mobile through the mid-palate than usual. Impressive. It's not a surprise that it's good; but it's very good indeed. Very juicy.”

Alexandre Ma - Avril 2024

Score : 92-93/100

VINUM - Adrian van Velsen - Avril 2024

Score : 91-93/100

“Notes grillées, fruit éclatant, fleurs de violette ; croquant et juteux, avec des tanins poudrés, bien structuré, montre de la race et de la finesse ainsi que plus de verticalité que l'année dernière. Réjouissant ! “
