	Jean Marc Quarin	93
	Marcus Del Monego	92+
	Jonathan Choukroun Chicheportiche	92-93

Château Soutard Cadet - Millésime 2023

JEB DUNNUCK - Mai 2024

Score : 93-96/100

“The 2023 Château Soutard-Cadet is slightly darker and richer than its stablemate, the Sansonnet. Cassis, blackberries, espresso, spring flowers, and graphite notes all define the aromatics, and it hits the palate with medium to full-bodied richness, a ripe, concentrated, layered mouthfeel, and ripe, ultra-fine tannins. It plays in the firmer, focused style of the vintage while bringing impressive fruit and texture. It's clearly a brilliant wine in the making. Tasted multiple times”.

VINOUS MEDIA - Antonio Galloni - Mai 2024

Score : 93-95/100

« The 2023 Soutard-Cadet is fabulous, Rich, ample and explosive to the core, the 2023 delivers the goods and then some Blackberry jam, crème de cassis, pencil shavings, licorice and incense infuse the 2023 with tremendous depth and overall intensity. This is a stunning wine by any measure. Superb. Tasted three times. »

THE WINE CELLAR INSIDER- Jeff Leve - Mai 2024

Score : 93-95/100

« Inky in color, the wine is equally dark on the palate with its waves of rich, supple, creamy, chocolate-infused, plums and black cherries. The wine is full, rich and deep, finishing with a blast of black pit fruits, polished tannins, mint, dark cocoa, and espresso. The wine blends 90% Merlot, 7% Cabernet Franc and 3% Petit Verdot. 14.5% ABV. The wine is ageing in a combination of new, French oak barrels and amphora. Drink from 2026-2042. »

JAMESSUCKLING.COM - James SUCKLING - Avril 2024

Score : 93-94/100

“Juicy and succulent red with ripe blackberries and dark cherries, as well as a hint of cedar. Medium-bodied with fine, well-integrated tannins. It's chewy and lightly salty at the end.”

Château Soutard Cadet - Millésime 2023

FALSTAFF – Peter Moser – Mai 2024

Score : 95/100

“Dark ruby, opaque core, purple reflections. Aromas of fine oak, a touch of liquorice, some sour cherry, red forest berries, inviting bouquet. Juicy, highly elegant and full of finesse with silky tannins, mineral and long-lasting, a subtle wine with length, precision and certain ageing potential; a graceful food wine. “

Jean Marc Quarin – Avril 2024

Score : 93/100

“Après un 2021 très réussi, le cru élève encore sa qualité. Couleur très sombre. Nez intense, au fruité mûr et subtil. Nuances de framboises et de fleurs. Minutieux en entrée de bouche, très aromatique au milieu et même complexe dans ses arômes, le vin fond au palais, chic et classe dans son toucher. Avec en plus un déroulé ascendant en finale. Profil original et noble. Assemblage : 90 % merlot, 7 % cabernet franc, 3 % petit verdot. Degré d'alcool : 14°5 – pH : 3,37. Rendement : 25 hl/ha. Elevage 75 % barriques neuves, 25 % amphores. Production : 5 000 bouteilles.”

Marcus Del Monego – Mai 2024

Score : 92+/100

“Dark purple colour with violet hue and almost black core. Aromatic nose with balmy character, fine toasting and ripe fruit, blackberries, black cherries and hints of sloe. Vanilla, floral hints and mild spices in the background. Subtle oak. On the palate rich with medium mid palate but very good length, quoting the flavour of the nose.”

YVES BECK – Avril 2024

Score : 92-94/100

“De type filigrane, le bouquet de Soutard-Cadet crée le lien entre les nuances terriennes, florales du Cabernet Franc et le charme du Merlot, respectivement des nuances de baies noires mûres. De bonne densité, le vin bénéficie d'une structure acide rafraîchissante et de tannins veloutés. Un Soutard-Cadet délicieux que l'on pourra déjà apprécier jeune, tout en laissant quelques bouteilles de côté. 2027-2040”
